Course Description :

The “Tick Tick Dollar™” program, crafted from the life and philosophy of Qaiser Abbas, is a comprehensive journey structured to guide you through the essence of realizing and actualizing your full potential. The program is based on transformative principles that promise to instruct and inspire and catalyze profound personal and professional growth. Each module within this program reflects Qaiser’s own path—his discoveries, methods, and mindsets—that have propelled him and countless others to peak performance and a deeply satisfying life of success.

Learning Objectives:

Discover your true purpose with the “Tick Tick Dollar™” course, designed by Qaiser Abbas to guide you through self-discovery, future planning, and actionable steps towards success. This journey begins with introspection, envisioning a purposeful future, committing fully, and taking immediate action. Engage with your passion by setting goals, learning from role models, and overcoming fears. Finally, transform purpose into peak performance through discipline, over-delivering, leveraging resources, and continuous self-improvement. Each principle, validated by Qaiser’s experiences, provides a roadmap for personal growth and lasting achievement.
